Subject: Conference Call

In reviewing the eight or so comments received so far, it would be best for us to have a conference call prior to the open house.

I am available this Friday at 10 am or next Monday at 1 pm (Shelby wouldn't be available for this one).

Let me know your availability.

Thanks!

Yes, I think a conference call to review final posters is a good idea.

Friday would be better since we may need to address revisions prior to Tuesday.

If there are any comments we can address prior to Friday, that would be helpful. I have not received any comments from BLM yet.
