Hi Steve,
I was actually writing you when I received your message :) I hope you are feeling better!

Thank you for following up on the core samples testing.

Also I wanted to ask if ADEQ was interested in attending or participating in the Kirkland Mining Company public scoping open house in Skull Valley on the evening of July, 11th.

Thank you and talk to you soon,
-Shelby

Hi Shelby,

I think it would make the best sense for us to only attend if we can have the sampling results by then. Let me know if you think that is a possibility.

Thanks,
