Shebly, review of the RMPO is a priority the week of 6/12 because we have to have a publication ready version of the RMP) **ready by 6/23**.

That means a review of the RMPO and acceptance letter early enough so Westland can make any revisions to the RMPO. There are already outstanding revisions needed to the RMPO based on my comments, so we do have to allow for this time.

I've got to get everything published on the website 6/23, so that date is rapidly approaching.

Please coordinate with Rem to adjust your workload so these timeframes can be met.

Thanks!
