Subject: Kirkland/Skull Valley Mining Plan Comments Due NLT 5/10

Yesterday we received the draft of a Mining Plan, biological evaluation and cultural resources report.

They are located at:

S:\District\NEPA\Projects\Minerals\Skull Valley POO EA 2017\Background Documents\Internal Review April 2017\

The Mining Plan (PDF) has line numbers so you can fill out the comment matrix.

We also have GIS data for the project located at:

\\blm\dfs\loc\EGIS\AZ\Phoenix_DO\projects\nepa\Projects\Skull_Valley_POO_EA_2017\maps\Project_Map.mxd

We need to review by 5/10.

Shelby will consolidate the comments and send back to the contractor.

Thanks!

Thanks for your guidance Brian,
I wasn't sure if it should be directed at certain individuals or go out to all :)
