WELCOME TO VIRTUE FLAT!
OFF-HIGHWAY VEHICLE AREA

The Bureau of Land Management (BLM) manages public lands in this area for off-highway vehicle (OHV) motorized recreation, as well as livestock grazing, non-motorized recreation, wildlife habitat, and other resource values. Please take the time to familiarize yourself with the rules and information posted at the Staging Area bulletin board.

Motorized use is limited to Designated Routes Only, as shown on the official OHV area map. While many of the routes shown on the map are also signed on the ground, a GPS device will be helpful in navigating. A digital version of this map that utilizes the GPS on a mobile device can be found at www.avenzamaps.com/maps/831391/virtue-flat-ohv-trail-guide-2018

Cross-Country Motorized travel is prohibited, to protect wildlife habitat. Seasonal fire restrictions may also be in effect. See Staging Area bulletin board for current conditions and special notices.

This Area is Also Open to Non-Motorized Users, including mountain bikes, hikers, and horses. Please respect other users, share the trails, and remember to “Tread Lightly”. Please visit www.treadlightly.org for more information.

Roads, Trails, and Routes are not Maintained. Routes are intended for a primitive All-Terrain Vehicle (ATV) experience. All routes are open to all classes of ATV, however some routes may not be suitable for your particular vehicle or skill level. Many routes are for experts only, and require special equipment and advanced skills.

Oregon State ATV Laws Apply, and ATV permits are required within the OHV area. Please visit www.oregonATV.org for more information.

Go Slowly and Use Extreme Caution when approaching blind hills and corners and heavy traffic areas. Watch for other users, livestock, mining pits, terrain hazards, and fences. Always be prepared to stop within half the distance you can see ahead.

Respect Private Lands and Do Not Trespass. Dispersed camping is allowed on public lands unless otherwise posted. Camping and campfires are prohibited within the fenced staging area and practice track areas. Please pack out trash and garbage and leave the area better than you found it.

The BLM Baker Field Office wants to hear your trail reports, questions, and concerns. Please call 541-523-1256 or visit the office at: 3100 H Street, Baker City, Oregon

Thank you and have a safe visit!
