Morley Nelson Snake River Birds of Prey National Conservation Area (NCA)

25TH ANNIVERSARY CALENDAR OF EVENTS

Updated 08/08/2018

SEPTEMBER

September 4

Commemoration Discussion

● The Andrus Center and Birds of Prey NCA Partnership will host a panel discussion on the dimensions of the Morley Nelson Snake River Birds of Prey NCA (personal, scientific, administrative, and political). Panelists will include Norm Nelson (Morley Nelson's son), former BLM raptor biologist Karen Steenhof, former Boise District Manager Dean Bibles, Congressman Larry LaRocco.
Location: BSU Student Union Building, Simplot Room, from 6pm – 8pm

September 8

Halverson Bar Fall Hike

● Explore the area's wildlife and history with local experts. Five mile, relatively flat hike. *RSVP*

September 9

Snake River Geology Hike

● Learn about the geology that formed the Snake River canyon and surrounding plateau. Five mile, relatively flat hike *RSVP*

OCTOBER – DECEMBER

The Months of October - December

NCA 25th Anniversary Exhibit

● Displayed at the Canyon Crossroads Museum at Celebration Park.

October 12

25th Anniversary Exhibit Opening

● Enjoy an evening of art, live music by the NCA's Artist in Residence, The Great Turtle, and light refreshments at the museum.

Location: Crossroads Museum, Celebration Park, 6pm - 9pm

October 13

Guffey Butte Hike

● Guffey Butte provides a great view of the Snake River, surrounding area, and the Oregon Trail. 6 miles with an elevation gain of approximately 860 feet in the first 1.5 miles. A portion of this hike will be on a trail, the remainder will be across open uneven ground. *RSVP*

October 20

National Public Lands Day

● The nation's largest volunteer effort for public lands. Volunteer to plant sagebrush for vegetation and habitat restoration in the NCA.

October 23

Artist in Residence Presentation

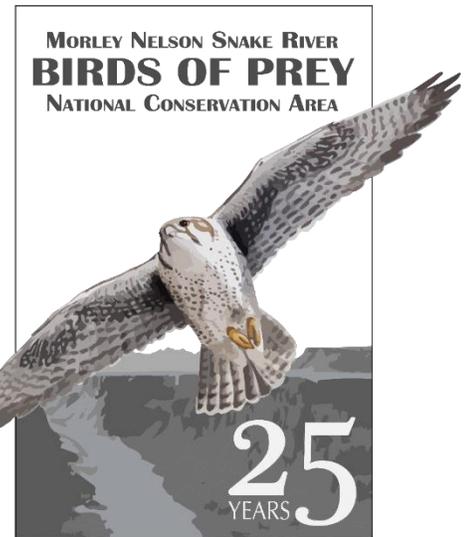

Join the Golden Eagle Audubon Society for a presentation by the NCA's Artist in Residence, Jordan Valentine.

Location: Library! At Cole & Ustick, from 7pm – 8:30pm

TBD Date and Location

Film Night

● The NCA has long been a location for cinematography. Grab your friends to celebrate this unique history and be the first to see the NCA's new interpretive film.
