

**For the BLM Seed Collector:
How to Request Seed Back to your Office
with the Seeds of Success Clearance Form**

The first 10,000 seeds of each collection are taken off the top of each collection and sent to the U.S. Forest Service Bend Seed Extractory to be cleaned. They are then sent to Pullman, WA and Ft. Collins, CO for incorporation into the Seeds of Success National Collection. With this form, BLM collectors can request any seed over 10,000 be returned or shipped to a cooperator.

Complete this form and e-mail it to the SOS National Coordinating Office with associated SOS Field Data Forms. The SOS National Office will review the request, if approved assign a clearance number(s), and send the approved clearance form to the Bend Seed Extractory.

Bend will not return material without SOS Field Data Forms and a clearance number assigned by the SOS National Coordinating Office. **Please allow at least 30 days from date of approval to the date you would like the seed returned.**
