Wood River Valley Motorized Seasonal Restrictions Dec 1 - Apr 30

BLM Travel Management Regulations

Motorized Vehicles Limited to Roads and Trails; No Motorized Cross Country Travel Allowed.

During this period, off-road travel is allowed with sufficient snow present and no impacts are made to vegetation or soil. Over-the-snow vehicles are allowed to cross-country when sufficient snow is present and no impacts are made to vegetation or soil. Motorized and non-motorized users should minimize conflicts with other users to minimize impacts and avoid harassment.
