FIRE PREVENTION ORDER NUMBER AZ-030-20-01
STAGE 2 FIRE RESTRICTIONS DUE TO HIGH FIRE DANGER
BUREAU OF LAND MANAGEMENT, COLORADO RIVER DISTRICT,
LAKE HAVASU FIELD OFFICE

Pursuant to 43 Code of Federal Regulations (CFR) 9212.1, the following acts are prohibited on all lands administered by the Bureau of Land Management (BLM) in the following counties in Arizona: La Paz and Mohave and counties in California: San Bernardino and Riverside. This restriction includes the Colorado River District encompassing Lake Havasu Field Office.

These restrictions will become effective at 6:00 A.M., MST, 12 MAY 2020 and will remain in effect until rescinded or revoked.

Stage 2:

The following acts are prohibited on BLM managed lands until further notice:

1. **Building maintaining, attending, or using a fire, campfire, charcoal, coal, or wood stove including fires in developed campgrounds or improved sites.**
2. **Smoking, except within an enclosed vehicle or building.**
3. **Discharging a firearm except while engaged in a lawful hunt pursuant to state, federal, or tribal laws and regulations.**
4. **Mechanical and industrial prohibitions**
 - a. **Operating any internal combustion engine.**
 - b. **Welding, or operating acetylene or other torch with open flame.**
 - c. **Using an explosive.**

Fire Prevention Order Number AZ910-2020-001 (partial description):

Fireworks, airborne luminaries, tracers, explosives, steel core, incendiary ammunition and explosive chemical devices or binary explosives, incendiary bomb, grenade or similar device. Any combustible or explosive composition. Igniting of tires, petroleum products are prohibited year-round and apply to all BLM-managed lands within Arizona.

Stage 2 Exemptions:

An exemption does not absolve an individual or organization from liability or responsibility for any fire started by the exempted activity.

1. Persons with a written waiver that specifically authorizes the otherwise prohibited act. This process can be utilized in cases where public works and public utility maintenance and repairs are necessary.

2. Industrial operations where specific operations and exemptions are identified, and mitigation measures are implemented as outlined in an agency plan.
3. Persons using a device fueled solely by liquid petroleum or LPG fuels that can be turned on and off. Such devices can only be used in an area that is barren or cleared of all overhead and surrounding flammable materials within 3 feet of the device.
4. Operating generators with an approved spark arresting device within an enclosed vehicle or building or in an area that is barren or cleared of all overhead and surrounding flammable materials within three feet of the generator.
5. Operating motorized vehicles on designated roads so long as the vehicle is parked in an area devoid of vegetation within 10 feet of the roadway.
6. Persons conducting activities in those designated areas where the activity is specifically authorized by written posted notice.
7. Any federal, state, local officer, or member of an organized rescue or firefighting force or other authorized personnel in the performance of an official duty.
8. All land within a city boundary is exempted unless otherwise stated by city ordinance.
9. Other exemptions unique to each agency/tribe.
10. Discharging of firearms is allowed on BLM agency designated shooting ranges.

Violation of this order is prohibited by the provisions of the regulations cited.

"Any person who knowingly and willfully violates the regulations at 43 C.F.R. § 9212.1 shall, upon conviction, be subject to a fine of not more than \$1,000 or imprisonment of not more than 12 months, or both, in accordance with § 9212.4. In addition, such persons will be liable to the United States for damages through either an administrative process or in United States Federal court."

Information regarding these fire restrictions may be obtained by calling the Lake Havasu Field Office at 928-505-1200.
