FIRE PREVENTION ORDER BUREAU OF LAND MANAGEMENT GILA DISTRICT

Under the authority of the Federal Land Management Policy and Management Act of 1976 (43 U.S.C. 1701 et. Seq.) and pursuant to 43 CFR 9212.2, this Fire Prevention Order rescinds fire restrictions for all Bureau of Land Management (BLM) administered public lands within the Gila District.

Effective on July 30th at 8:00 a.m., fire restrictions for Bureau of Land Management (BLM) lands administered by the Gila District will be lifted. Sufficient moisture has been received throughout South East Arizona, indices are at moderate and fire activity has been light. All these factors combine to indicate restrictions are no longer necessary.
