IN REPLY REFER TO:

FIRE PREVENTION ORDER NO. AZ-P01-20-2  
FIRE AND SMOKING RESTRICTION  
BUREAU OF LAND MANAGEMENT  
PHOENIX DISTRICT  
HASSAYAMPA FIELD OFFICE

Under the authority of the Federal Land Management Policy and Management Act of 1976 (43 U.S.C. 1701 et.Seq.) and pursuant to 43 CFR 9212.2 this Fire Prevention Order rescinds fire restrictions and closures for all Bureau of Land Management (BLM) administered public lands within the Phoenix District's Hassayampa Field Office area, and replaces all previous fire prevention orders.

At 8:00 A.M., Wednesday, November 11<sup>th</sup>, 2020, fire restrictions for public lands administered by the BLM Hassayampa Field Office will be lifted. This includes nearly one million acres of public land north and west of Phoenix, including the Agua Fria National Monument. In most areas sufficient moisture has been received to reduce the risk of wildland fire, so restrictions and closures are no longer necessary.

Signed in Phoenix, Arizona, this ninth day of November 2020.
