HOW TO GET THERE

DIRECTIONS: From the intersection of Main Street and Vernal Ave, take Highway 191 north approximately 3.5 miles. Turn left onto the well-defined dirt road and travel for approximately 1.6 miles to the first undeveloped parking area. It is suggested for 2WD, low-clearance vehicles to park here and walk on the road to reach the trailhead. 4WD, high-clearance vehicles can continue another mile on the road to the second parking area.

Respect private land ownership by only parking in the areas suggested and by staying on designated routes.

Please drive slowly and be aware of other recreationists.

Moonshine Arch Trail is a multi-use trail that is open to OHVs, bikes, hikers, equestrians, and leashed dogs.

CAUTION
There is no turning lane or sign that indicates the access road to Moonshine Arch.
