### ADDENDUM

Please note the following corrections to our Notice of Competitive Lease Sale, Oil and Gas, dated October 14, 2016. The on-line auction is scheduled for December 13, 2016.

The following parcels were withdrawn from the December 2016 lease sale to allow the BLM more time to conduct further research into the status of possible pre-existing lease. If the BLM determines the parcel is not subject to pre-existing oil and gas leases, the BLM will consider re-offering the parcel in future sales.
