Boating – Launch Sites

Gorge rapids vary from Class I (moving water with no obstructions) to Class IV (long, difficult rapids with pronounced & powerful). Rapid difficulty changes chronically with every river flow. If in doubt, 1003!

Wilderness Trails

Wilderness trails are accessible via primitive jeep roads and foot trails. These trails are off the NCA. Trails range from one to 4.5 miles and provide exceptional views and wilderness experience. Horses and backpacking are recommended for backcountry explorations.

Recreation Sites

For information on OHV trails and camping in these areas check locals or the Gunnison Gorge website. Click Park Trail-Peach Valley OHV trail system for brochure and map.
