- (1) A **RED** number in above table indicates the State or Washington Office had two or more of its organizational units in that fiscal year NOT rated in good safety, health, and environmental condition.
- (2) A **GREEN** number in above table indicates the State or Washington Office had all or all, but one of its organizational units in that fiscal year rated in good safety, health, and environmental condition.
- (3) The performance goal for FY 2014 was to have 96% of the BLM's organizational units rated in good safety, health, and environmental condition which is one percent higher than last fiscal year's performance.
- (4) The above data includes audits performed from October 1993 through June 2014 and responses from the field on the findings from those audits through July 2014.
- (5) FY 2014 is the tenth fiscal year in which an organizational unit must have all its high priority traditional CASHE findings completed to be rated in good condition.
- (6) FY 2014 is the first fiscal year in which an organizational unit must have all its high priority RI CASHE findings completed to be rated in good condition.
- (7) In FY 2015 and subsequent years an organizational unit must have zero incomplete high priority traditional CASHE findings and zero incomplete high priority RI CASHE findings to be rated in good condition.
