

Help Prevent the Spread of Aquatic Invasive Species

Ensure your watercraft is Clean, Drained, and Dry before you launch.

- **CLEAN** off visible aquatic plants, animals, and mud from watercraft, gear, paddles, floats, ropes, anchors, and trailer before leaving water access.
- **DRAIN** water from watercraft, sponges, bailers, and water containing devices before leaving water access.
- **DRY** everything when moving between waters to kill small species not easily seen OR wipe with a towel before reuse.

[Bringing Watercraft into Montana](#)

All watercraft entering Montana are required to be inspected for aquatic invasive species. You must obtain an inspection before launching on Montana waters. Stop at all open inspections stations you encounter when traveling.

[Find inspections stations here](#)

Non-resident watercraft launching in Montana must purchase a Vessel AIS Prevention Pass (AISPP). Purchase at FWP regional offices or [online here](#). (Please note the pass is not available for purchase at license agents.)

- Motorized watercraft fee is \$30. Required for all watercraft that have a motor.
- Nonmotorized watercraft fee is \$10. Required for all nonmotorized watercraft.
- Proof of purchase can be electronic (cell phone) or paper receipt, there is no decal.
- The Vessel AISPP expires on December 31.
- The Vessel AISPP is not transferable between vessels.
