Required Training for Appointees - Anti-Harassment and DOI PB 18-01

Participation in this training is mandatory for all newly appointed personnel.

Background:

- The Notification and Federal Employee Anti-Discrimination and Retaliation Act, also known as the No Fear Act, requires that federal agencies be accountable for violations of anti-discrimination and whistleblower protection laws. A federal agency cannot discriminate against an employee or applicant with respect to the terms, conditions, or privileges of employment based on race, color, religion, sex, national origin, age, disability, or genetic information. Discrimination on these bases is prohibited by federal law.
- Personnel Bulletin 18-01 outlines the Department's policy on providing a work environment free from harassment by (1) defining unacceptable conduct that violates this policy; (2) outlining the rights and responsibilities of employees, supervisors, and managers; and (3) establishing reporting procedures and accountability measures.

This briefing is an overview of both topics: Anti-Harassment from the EEO perspective and PB 18-01, the Department's policy on Prevention and Elimination of Harassing Conduct. Attendees will be provided with an opportunity to ask questions.

In addition to this briefing, all new employees are automatically enrolled in and must complete the online No Fear Act asynchronous course in DOI Talent, the Department's Learning Management System.

Please note: Attendees to this briefing are required to also complete the assigned online No FEAR Act course.

Facilitator: Dr. Vicki A Brown, CLO/OSEOD/HCD

Presenters:

- Tanisha M. Edmonds, or representative, ODICR - Anti-Discrimination and Retaliation Act of 2002 (the No FEAR Act)
- Mark Guberman, or representative, BSEE HR - Personnel Bulletin 18-01, Prevention and Elimination of Harassing Conduct

Description: December 10 marks the 75th anniversary of the day President Truman signed the legislation creating the Bureau of Land Management. It's the capstone of our 75th Anniversary Symposium Series - the one that ties it all together. We've gathered a diverse group of thought leaders to help us envision the next 75 years, and the kind of agency that we need to create to meet the opportunities and challenges ahead.

Speakers and panelists include:

- Tracy Stone Manning, Director, BLM
- Carolyn Shelton, Board Member, Grand Staircase-Escalante Partners
- Joel Webster, Vice President of Western Conservation, Theodore Roosevelt Conservation Partnership
- Mamie Parker, Chair, Student Conservation Association (SCA), former Regional Director, Head of Fisheries, U.S. Fish and Wildlife Service
- Laura Tohe, Poet Laureate, Navajo Nation
- Jessica Wahl, Executive Director, Outdoor Recreation Roundtable

Appointee Brown Bag, Hot Cocoa Bar & Cookies! -- DOI Courtyard Atrium (basement level next to the cafeteria)

Hello everyone!

When the Secretary is back from travel next week we wanted to give folks the option to get together over lunch for a holiday gathering.

There is a lovely outdoor courtyard next to the cafeteria on the basement level, we invite you all to bring your lunch and gather there over the noon hour on Wednesday, December 15th.

We will also set up a hot chocolate bar and welcome folks bringing cookies or other holiday treats to share if you would like!

It has been wonderful seeing you all in the halls next week, look forward to gathering with you next week as well.

Thanks,
-Maggie

Museum & Mural Building Tour - Time Option 4 -- Interior Museum Gallery - 1st Floor just beyond the C St. Entrance (in the 1200 West Corridor)

Hello everyone,

December 16, 2021 Continued

Thursday

As we all are back in the building for the next couple of weeks, we wanted to give everyone the opportunity to learn more about the history of where we work! The DOI Museum Team have set up for times for appointees to come on an hour long tour to learn about the museum and the history of the building, including the historic murals throughout.

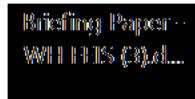

There are four different tours scheduled – please only confirm to this time option if you plan to attend so we can keep numbers spread out across the times.

Thank you so much!

Hello Friends and Colleagues,

Please join us on December 17, 2021 at 10 am (MT) to wish a happy

retirement to Jamie Connell!

Jamie has spent her 37+ year career managing public lands with the BLM and national forests with the USFS and would love to see you one last time before she finds fun things to do in her spare time.

There will be plenty of time to share memories, stories, or say congratulations. If you would like to share any stories, photos, videos, or other media, [please use our online form here](#). If you are time restricted, please let us know your availability somewhere on the form.

Our farewell will be held over Zoom. [Please register using this link](#). Zoom will send you an email with your invite after registering.

We look forward to seeing you there..... a good thing about retirements is that the parties make for a great family reunion of passionate public lands stewards.

They are too large for email, so I had to send them via One Drive. You will see three files:

1) A **power point** for Grant's presentation titled "**TSM BLM Fire briefing Dec 20 FINAL**".

2) A **briefing book (PDF)** titled "**2022 BLM Fire briefing book FINAL**" that serves as read-ahead/prep material for Tracy Stone-Manning (or a post-briefing reference).

3) A **PDF titled "PL Handout FINAL"** explaining national preparedness levels, also serving as supporting material that she can review before or after the briefing.
