

# San Lorenzo Canyon Trail

## Sevilleta National Wildlife Refuge (NWR)

Sevilleta National Wildlife Refuge (NWR) is large stunning landscape that is home to a wide array of plants and animals. Sevilleta NWR has a special purpose- to preserve and enhance the natural character of the ecosystem. Due to its special purpose, access to Sevilleta is restricted. Stop by our Visitor Center situated off exit 169 on I-25 to learn more about this fascinating place and for information about tours, hikes, and other events on Sevilleta NWR.

**Directions:**  
 Take the Lemitar exit (No. 156) and go West under I-25. Turn North (right) on the frontage road and go 4.4 miles. When the paved road turns right, turn West (left) on County Road 90 (dirt road). Continue West until road merges with dry stream bed and follow into San Lorenzo Canyon.

This map is for reference only. You must have written or verbal permission from private property owners for use of their legally posted private lands for any purpose including crossing these lands by foot or vehicle to get to public and State Trust lands not accessible by public means. The BLM, reminds Public Land users to practice safe, responsible recreation. Remember, you are a guest when using or crossing private lands, and this access is a privilege, not a right.
