White Mountains National Recreation Area Access Repairs

Project ID: L211

Transportation Project

ALASKA

District or Unit Name:
Fairbanks District

Recreational Values: Cabins, camping, fishing, float trips, gold panning, hiking, hunting, wild and scenic river

Description: The project repairs the Nome Creek Road, which provides year-round access to the White Mountains National Recreation Area and sole access to Beaver Creek Wild and Scenic River. The 18-mile road will be repaired by grading and restoring lost aggregate surfacing, repairing culverts to improve drainage, and repairing the site roads providing access to Mt. Prindle and Ophir Creek Campgrounds and other spur roads.
