## Eagle Lake Field Office

### Recreation Fee Program Spending & Accomplishment Highlights 2021

#### OHV Area Improvements

Local Trail Maintenance

The BLM Eagle Lake Field Office utilized Recreation Fee Dollars collected from off-highway vehicle (OHV) Special Recreation Permitted (SRP) motorcycle race events held at the Fort Sage OHV Area. Work with Fee Dollars in FY21 included utilizing rental equipment, volunteers, local business, and BLM staff to accomplish approximately 8 miles of trail maintenance to lessen erosion and place large boulders to ensure OHV users stay in the trailhead and off of burned areas.

#### Non-Motorized Area Improvements

Camphost at BLM Eagle Lake Field Office

The BLM Eagle Lake Field Office obtained hosts at the North Eagle Lake Campground and the Hobo Camp Day Use Area. The hosts assisted with facility cleaning, graffiti removal and conducted multiple public contacts at the North Eagle Lake and Rocky Point Campgrounds as well as along the Bizz Johnson National Trail. Funding from Fee Dollars collected onsite and from events was utilized to pay the volunteer campground host stipend and purchase a new kiosk and fee box.

#### Recreation Fee Dollars

*Recreation fee dollars are an investment in outdoor recreation. Current and future generations benefit as 100% of the funds collected are reinvested in the facilities and services that visitors enjoy, use, and value.*

They support and enhance:

- Maintenance, repair, and facility enhancement related directly to visitor enjoyment, visitor access, and health and safety
- Interpretation, visitor information, visitor service, visitor needs assessments, and signs
- Habitat restoration directly related to wildlife- dependent recreation that is limited to hunting, fishing, wildlife observation, or photography
- Law enforcement related to public use and recreation Direct operating or capital costs associated with the recreation fee program

## Other Accomplishments

Volunteer Hosts and BLM Staff: graffiti removal on three bridges, painted three picnic tables, cleaned vault facilities, removed garbage, and assisted with National Public Lands Day.

OHV Areas: staff installed approximately 40 boulders at the Diamondback trailhead and maintained 8 miles of trails with rental equipment. Expenditures included vault toilet pumping, Interpretative panel design, and labor for boulder placement.

## Revenue & Expenditures

### FY21 Revenue

Recreation Use Permits (RUPs)	\$4,537.71
Special Recreation Permits (SRPs)	\$4,460.35
Individual Special Recreation Permits	\$0.00
Interagency Passes	\$0.00
<b>Total Recreation Fee Revenue for FY21</b>	<b>\$8,998.06</b>

### FY21 Expenditures

Repair & Maintenance	\$2,875.50
Visitor Services	\$1,940.29
Law Enforcement	\$0.00
Habitat Restoration	\$2,000.00
Collections/Overhead	\$0.00
<b>Total Recreation Fee Expenditures for FY21</b>	<b>\$6,815.79</b>

## Planned Activities

*Information Kiosk Within Eagle Lake Field Office*

The BLM Eagle Lake Field Office plans to utilize Recreation Fee Dollars collected from off-highway vehicle (OHV) Special Recreation Permitted (SRP) events held at the Fort Sage OHV Area to rent equipment for volunteers, local businesses, and BLM staff to accomplish approximately 5-15 miles of trail maintenance to lessen erosion. In addition, BLM plans to utilize the funding to pump the vault toilets and supplies for routine maintenance. BLM will also recruit hosts and pay their stipend in areas fees are collected and continue to upgrade facilities in need at those sites.

## FY22 Planned Expenditures

Repair & Maintenance	\$4,500.00
Visitor Services	\$500.00
Law Enforcement	\$0.00
Habitat Restoration	\$2,000.00
Collections/Overhead	\$0.00
Total Recreation Fee Expenditures for FY22	\$7,000.00
FY21 End of Year Carryover	\$2,183.06
FY22 Projected Revenue	\$7,000.00

## Connecting with Communities

Partners such as the Lassen Motorcycle Club and Fish and Wildlife help us connect with community needs while protecting the environment. These projects will connect communities by keeping the recreation sites in good working order. In addition, the project funding will be used to lessen erosion, keep users on the existing roads and trails to protect habitat and cultural resources.
