## Recreation Fee Program Spending & Accomplishment Highlights 2021

### Rob Jagers Campground

*Rob Jagers Campground*

The Rob Jagers Campground underwent construction during Fiscal Year 2021 to provide 27 campsites with electricity and water hookups, a new dump station, and other additions to public use and enjoyment. The Rob Jagers Campground utilized \$11,000 in revenue towards facility upgrades and improvements.

### New Construction

*Campsites at Rob Jagers*

The Field Office utilized Fiscal Year 21 Federal Lands Recreation Enhancement Act funds towards the Rob Jagers Campground improvements, a cleaning contract, and volunteer reimbursements to maintain and improve the campground during construction closure.

## Recreation Fee Dollars

*Recreation fee dollars are an investment in outdoor recreation. Current and future generations benefit as 100% of the funds collected are reinvested in the facilities and services that visitors enjoy, use, and value.*

They support and enhance:

- Maintenance, repair, and facility enhancement related directly to visitor enjoyment, visitor access, and health and safety.
- Interpretation, visitor information, visitor service, visitor needs assessments, and signs.
- Habitat restoration directly related to wildlife- dependent recreation that is limited to hunting, fishing, wildlife observation, or photography.
- Law enforcement related to public use and recreation.
- Direct operating or capital costs associated with the recreation fee

## Other Accomplishments

- Trail maintenance throughout the Fort Stanton-Snowy River Cave National Conservation Area
- Monitoring of permitted activities and visitor use
- Volunteer camp host reimbursements
- Supplies for facilities
- A vault toilet and dump station pumping
- New electrical and water system at Rob Jagers Campground
- 27 new sites with amenities at Rob Jagers Campground
- New fence around Rob Jagers Campground group shelter
- Painted group shelter and fence
- Equipment maintenance and fuel costs at Rob Jagers Campground
