

Don't let our waters be harmed!

THE SANTUARIO DE CHIMAYO  
HISTORIC SHRINE OF NEW MEXICO DRAWS HUNDREDS OF PILGRIMS ANNUALLY

Jan. 19, 2022  
POST CARD

Dear Director Radford:

I strongly  
support the application  
to withdraw lands  
in Rainy Watershed  
from Mineral Leasing on  
Superior National Forest.  
I live in the L. Superior  
watershed. Clean water  
matters! Sincerely,

Mark Fitzmaurice  
Duluth MN

F. David Radford  
Deputy State Director  
of Geospatial Svcs.
