DISCLAIMER: While every effort has been made to ensure the quality of the information presented, the Bureau of Land Management (BLM) makes no warranty regarding the accuracy or completeness of this map. This map and data are representational and are to be used as intended by the BLM. Map data are compiled from various sources. This map and the data from which it was derived are not binding on the BLM and may be revised at any time. Routes depicted on non-BLM lands are displayed for information purposes only and do not grant access to non-BLM lands. Produced August 2022.

*Public Land Access Routes provide the main access to BLM land from the local public highways or county roads. Some routes across private property may not have legal public access, and users should stay on the road.

**National Forest Routes and Connecting Routes are shown for connectivity only and do not imply legal public access. Travel routes depicted on this map across Arizona State Trust Lands or private lands do not imply legal public access to use or cross those lands. Any public use of State Trust Lands is strictly under the jurisdiction of the Arizona State Lands Department and use of private lands requires permission of the landowner. All users must comply with State policies and regulations and private landowner rights in order to legally use or traverse non-BLM lands.
