Ms. Baca,

My name is Chris Allen, I'm with Blue Baron Energy in Norman, Oklahoma. Jon Goss at SandRidge gave me your contact and said you would be the person to ask about leasing Corps land in Cowley Co. KS.

The tract is located in 35-34S-4E and is described as:

The South Half of the South Half of the South Half of the Southeast Quarter (S/2 S/2 S/2 SE/4); AND the South Half of the North Half of the South Half of the South Half of the Southeast Quarter (S/2 N/2 S/2 S/2 SE/4); AND a tract beginning at the Southeast corner of the North Half of the North Half of the South Half of the South Half of the Southeast Quarter (N/2 N/2 S/2 S/2 SE/4), thence West 2,640 feet more or less, to the Southwest Corner thereof; thence North 1155.00 feet, more or less to the Northwest Corner of the South Half of the South Half of the South Half of the Northwest Quarter of the Southeast Quarter (S/2 S/2 NW/4 SE/4); thence Southeasterly on a straight line to the POB, containing 65.00 acres more or less

We show the minerals and surface to be owned by

United States of America
c/o U. S. Army Corps of Engineers

We are interested in leasing if possible.

Thank you,

Chris Allen
