**Re: NOMINATION OF FEDERAL LANDS FOR OIL AND GAS LEASE  
APRIL, 2015 OIL & GAS LEASE SALE, CLEVELAND COUNTY, OKLAHOMA**

As discussed by phone, on behalf of Land Services, Inc., of PO Box 1299, Blanchard, OK 73010, I hereby nominate the following lands to be placed on the BLM schedule for the next Oil and Gas Lease auction, which we understand will be held in April 2015, to-wit:

**All of the lands owned by the U. S. Government located in Section 1 and Section 2, Township 5 North, Range 1 East, of the Indian Meridian, Cleveland County, State of Oklahoma, together with all accretions and riparian rights appurtenant thereto\***

\*From a cursory review of the various existing surveys located on the BLM website, there appears to be some question as to the exact legal description of the above lands. For example, the 1984 re-survey of the Section 2-5N-1E lands indicates that the government lands lying North of the Canadian River are described as Lots 4, 5 and 6; however, the 1873 Original Government Survey shows these same lands as Lots 1, 2 and 3. The adjacent government lands lying in Section 1-5N-1E appear to be described as Lot 1.

As also discussed by phone, we are in the process of obtaining a survey of the above nominated lands, which will be forwarded under separate cover, within three (3) weeks of this letter. We will include with the submittal of said survey a full legal description of the governmental lots as well as metes and bounds descriptions of any accretions or erosion, in accordance with the BLM guidelines provided us.

If you have any questions, please contact me directly at: 405-834-0596 or by email at [gloriab@gbel323.com](mailto:gloriab@gbel323.com).

Sincerely yours  
GLORIA BELAIR
