 ✓ T 22S - R 33E
 ✓ T 20S - R 34E
 ✓ T 21S - R 33E

I would like to nominate the following lands for next years Fed Sale. We did not get a lot of tracts on this year's sale according to the Shape Files and I really need to get these on next year's sale because it will interrupt our drilling plans if they aren't available until 2017.

✓ T20S-R33E, NMPM, Lea County, New Mexico

Sec. 28: S/2SW/4, SW/4SE/4

Sec. 28: SW/4NE/4 (I realize this is leased until 5/1/2016, but based on the drilling islands, it will not be accessible prior to the lease sale of the lands listed above. Therefore, it should expire prior to next year's sale.)

T26S-R38E, NMPM, Lea County, New Mexico

Sec. 21: All

Sec. 28: All

Sec. 33: All

✓ T22S-R33E, NMPM, Lea County, New Mexico

Sec. 13: N/2, SW/4

Sec. 23: W/2, SE/4

Sec. 25: NE/4

Sec. 26: NE/4, N/2SE/4, SE/4SE/4

I would also like to nominate the following (less important to immediate drilling plans)

T22S-R33E, NMPM, Lea County, NM

Sec. 20: N/2, SW/4SE/4

Sec. 21: NE/4, N/2NW/4

Sec. 24: All

Sec. 27: All

Sec. 28: All

Sec. 29: All

Sec. 35: SW/4SW/4

T20S-R34E, NMPM, Lea County, NM

Sec. 15: SW/4SW/4

T21S-R33E, NMPM, Lea County, NM

Sec. 20: NW/4

Sec. 22: All

Sec. 25: S/2

I am sure I will have more lands to nominate over the next 8 months or so. However, I just wanted to make sure that these get on the docket if possible. Having the lease sale only one time per year is making it extremely difficult to put things together and get drilled.

Thank you,

Brian Hall, RL
