

California Condor Release Public Event

Area Travel Map and Condor Viewing Site Location

Bureau of Land Management - Arizona Strip District - Vermilion Cliffs National Monument

No warranty is made by the Bureau of Land Management (BLM) regarding the accuracy or completeness of this map. This map is representational and is to be used as intended by the BLM. Map data compiled from various sources. This map and the data from which it was derived are not binding on the BLM and may be revised at any time.

Road Conditions
The Condor Viewing Site is located along the House Rock Valley Road (BLM 1065 in Arizona and BLM 700 in Utah). This road is unpaved and minimally maintained. Most of the time, two-wheel-drive, high-clearance vehicles can travel the road. However, four-wheel-drive, high-clearance vehicles may be required when the road is wet. During periods of rain and the winter months the road may become impassable for all vehicles, even those with four-wheel-drive.

Recommended Driving Directions from the Kanab-Fredonia Area
The approximate distance from Fredonia to the Condor Viewing Site is 46 miles with a drive time of 1 hour. Travel south from the Kanab-Fredonia area on US Highway 89A towards Jacob Lake. Continue on 89A past the Jacob Lake junction. After the highway descends from the forested plateau to the desert valley floor through a series of switchbacks, turn left onto House Rock Valley Road (BLM 1065). Continue three miles north to the Condor Viewing Site.

Recommended Driving Direction from the Page Area
The approximate distance from Page to the Condor Viewing Site is 68 miles with a drive time of 1 hour and 15 minutes. Travel south from the Page area on US Highway 89. At the bottom of a long and steep dugway turn right onto US Highway 89A and continue north then west towards Jacob Lake. After a long straight section the highway approaches a rising plateau. Turn right onto House Rock Valley Road (BLM 1065) near the base of the plateau and continue three miles north to the Condor Viewing Site.
