

# Old Spanish National Historic Trail

## Welcome to the Old Spanish National Historic Trail Mobile Map

### Release Notes:

#### *Old Spanish National Historic Trail Mobile Map*

**Version 1.0** (Initial Release | ArcGIS Field Maps App 22.4.2) – Jan. 12, 2023

The Old Spanish National Historic Trail Mobile Map is free and available through the ArcGIS Fields Map App or to view in a web browser. This mobile map is designed to offer informative and interpretive information about points of interest along the Old Spanish National Historic Trail.

[Apple Store](#) | [Google Play Store](#) | [Web App](#)

#### Maps

The maps were developed by the Bureau of Land Management in collaboration with the National Park Service, Old Spanish Trail Association and various counties and cities that the trail crosses. This mobile map is endorsed by the Bureau of Land Management and National Park Service who co-administer the Old Spanish National Historic Trail.

#### Phase 1

For the first phase of the Old Spanish National Historic Trail Mobile Map, only the following counties in Utah are available: Piute, Sevier, Emery and Grand counties. Additional counties and states will be added in the future.

#### GPS & Downloading Maps

- Use professional-grade GPS receivers.
- View high-quality maps created using ArcGIS Field Maps.
- Download maps to your device and view the information offline.
- Search for features, points of interest and places.
- Access more tools such as the legend, measure, markup, etc.

#### Learn More

For more information and instructions on how to use the Old Spanish National Historic Trail Mobile Map, visit the [Bureau of Land Management website](#).
