Oregon/Washington
Rural Fire Readiness Equipment Request**

To receive wildland firefighting vehicles, equipment, and supplies through the program volunteer fire departments, rural fire departments, rangeland fire protection associations, and similar organizations must meet several requirements including:

- Have an existing cooperative fire response agreement with the BLM;
- Serve a rural community or area;
- Have wildland fire protection responsibilities;
- Is in the vicinity of, or within, the wildland urban interface, or an established Rangeland Fire Protection Association;
- Be near BLM-administered lands and respond to wildland fires in support of BLM when available and as needed; and
- Provides a benefit to the BLM.
