

# UTAH Cedar City

Field Office

## Recreation Fee Program Spending & Accomplishment Highlights 2022

### Beaver Bench Trail Cattleguards

*Trail Cattleguard on Sage Advice Trail*

In 2022 the Cedar City Field Office (CCFO) installed five new trail cattleguards within the Beaver Bench Trail System. The CCFO designed this new style of cattleguard that mimics a full size cattleguard and is light enough to be installed by hand. These new flat cattleguards replaced arched cattleguards to improve safety and usability.

**Amount Expended: \$5,000.00**

### Rocky Peak Campground Fire Rings

*Newly-installed Fire Ring at Rocky Peak Campground*

The Rocky Peak Campground was constructed in 2005 and has received tens of thousands of visitors over the past 17 years. Dilapidated fire rings were replaced in 10 of the individual campsites and one of the group sites. The new fire rings are taller and more accessible for all campers.

**Amount Expended: \$4,500.00**

## Recreation Fee Dollars

They support and enhance:

- Maintenance, repair, and facility improvement related directly to visitor enjoyment, visitor access, and health and safety
- Interpretation, visitor information, visitor service, visitor needs assessments, and signs
- Habitat restoration directly related to hunting, fishing, wildlife observation, or photography
- Law enforcement related to public use and recreation
- Direct operating or capital costs associated with the recreation fee program

*Recreation fee dollars are an investment in outdoor recreation. Current and future generations benefit as 100% of the funds collected are reinvested in the facilities and services that visitors enjoy, use, and value.*

Other Achievements

Installed new signs at the Three Peaks Paintball Complex, Frisco Peak, Coal Creek Yard, and Quichapa Lake Recreation Area.

Completed six miles of trail design for a new National Interscholastic Cycling Association optimized bicycle course in Beaver, UT.

Installed the Valentine Peak Trailhead in partnership with Parowan City.

Re-painted the doors on 13 restroom facilities.

Added five new sites for improved online payment options via Recreation.gov.

Revenue & Expenditures

End of Year Carryover:	\$67,234.87
<b>FY22 Revenue</b>	
Recreation Use Permits (RUPs)	\$23,216.26
Special Recreation Permits (SRPs)	\$187,294.44
Individual Special Recreation Permits	\$0.00
Interagency Passes	\$8,100.00
<b>Total Recreation Fee Revenue for FY22:</b>	<b>\$218,610.70</b>

<b>FY22 Expenditures</b>	
Repair & Maintenance	\$104,537.71
Visitor Services	\$3,442.55
Law Enforcement	\$299.75
Habitat Restoration	\$97.11
Collections/Overhead	\$11,566.79
<b>Total Recreation Fee Expenditures for FY22:</b>	<b>\$119,943.91</b>

Planned Activities

*Beaver Bench Trail System Bridge Location*

- \$50,000 will be expended to support staff time, which will be spent on maintaining recreation sites, collecting fees, assisting with construction on new sites, and monitoring permits.
- \$80,000 is anticipated to be used to develop new trails in Beaver and Iron County through an assistance agreement with Trail Solutions and Conservation Corps.
- \$20,000 will be utilized to purchase a pedestrian bridge for the Beaver Bench Trails.
- \$40,000 will be used for the purchase of a restroom facility at the Hanging Rock Campground.
- \$35,000 will be utilized to pay for the yearly recreation site cleaning contract.

FY23 Planned Expenditures

Repair & Maintenance	\$190,000.00
Visitor Services	\$5,000.00
Law Enforcement	\$0.00
Habitat Restoration	\$0.00
Collections/Overhead	\$15,000.00
<b>Total Recreation Fee Expenditures for FY23:</b>	<b>\$210,000.00</b>
<b>Carryover Funds To FY23:</b>	<b>\$165,901.66</b>
<b>FY23 Projected Revenue:</b>	<b>\$150,000.00</b>

Connecting with Communities

The CCFO continues to collaborate with the communities that border public lands in Iron and Beaver County. One of our main focuses has been to provide a trail network adjacent to communities that have an interest in this type of connection with their public lands. In 2023, we will focus on providing a new National Interscholastic Cycling Association-optimized bicycle course east of Beaver City, which is located along the 1-15 corridor. The new course will provide a venue for large events to be held in Beaver City and will assist with broadening the economic base of the city. Typically, these events host around 1,200 mountain biker participants, which generates about 3,000-5,000 total visitors per event. This project is being completed in partnership with Beaver County, as they are improving the road access and parking lot and the BLM is focused on building the race course.
