

To whom It may Concern!

2/14/16

I am a resident of Flower Mound, TX
and have lived here for 50+ years.

I am very concerned about the
possible fracking on our Lewisville
Lake. I have great concern of our
drinking water being contaminated,
earthquakes, along with our fish
habitat. I am totally against
Fracking!! Please consider these
issues and listen to the voice
of the people.

Thank you!
