Dear Sirs:

I hereby protest the drilling of a 259 acre section of Lake Lewisville, TX.

This lake is the environmental home to wildlife, du birds, deer and other protected species as well as those not protected by law.

- This lake is used by residents for fishing, swimming, boating and other water sports.
- The appearance of the drilling equipment would be an eyesore to a recreational area.
- This lake provides flood risk management as well as assisting with water supply.

I heartily request you not drill in Lake Lewisville.

Regards,
Mauricia Hawkins
