REF: OIL AND GAS LEASES UNDER LEWISVILLE LAKE TO BE SOLD

TO: BUREAU OF LAND MANAGEMENT
SANTA FE, NEW MEXICO

REGARDING OIL AND GAS LEASES UNDER LEWISVILLE TEXAS LAKE

I AM PROTESTING THIS. THE DAM FOR THIS LAKE IS IN BAD SHAPE
AND GAS WELL FRACKING WOULD BE TOTALLY UNACCEPTABLE

THERE HAVE BEEN MILD EARTHQUAKE TREMORS HERE AND DAMAGE
TO DAM WOULD CAUSE CATASTROPHIC FLOODING FOR MILES AROUND
AND WOULD BE TWICE AS BAD IF GAS WELLS WERE ALLOWED

OUR COMPANY IS ABOUT 5 MILES FROM THE LAKE AND IF THE DAM
IS AFFECTED THEN SO IS OUR COMPANY NOT TO MENTION THOUSANDS
OF HOMEOWNERS THAT LIVE CLOSE TO THE LAKE.
