Re: Special Update: Auction of Lease on Drilling Rights Below Lewisville Lake

Date February 15, 2016

To whom it may concern,

I, Francis Charles Fornara, resident of Denton County in Texas strongly oppose and protest the **auction of Lease on Drilling Rights below Lewisville Lake** until such time as a further study is completed and publicized regarding the safety related to the integrity and safety of the dam.

I trust that the BLM will take into consideration the concerns of all Denton and adjoining Texas counties residents and citizens.

Yours sincerely

F C Fornara
