

To Whom It May Concern:

My name is Jennifer Kelly and I protest the drilling under Lake Lewisville in the State of Texas. I am a resident of the area and this is the supply of our drinking water. The dam on Lake Lewisville is also in bad shape and they are currently trying to fix it so it does not fail causing thousands to be displaced.

Please note my protest for the parcel that will affect Lake Lewisville in Texas.

Thank you,

Jennifer Kelly
