Santa Fe, NM 87508**

RECEIVED
B.L.M. - MAIL ROOM
2016 FEB 11 PM 4:31
SANTA FE, NM

Please do not process the sale of land near or at Lake Lewisville near Dallas, Texas, for purposes of hydraulic fracturing. This will contaminate the water for an endless period of time, and it will endanger all of the citizens, who get their drinking water from that source.

Nature and its preservation is the responsibility of all of us, and it is your responsibility to prevent this loss and endangerment to our Texas citizens.

Sincerely,

**Susan K. Vaughan, Ph.D., M.B.A.
