RE: PROTESTING GAS DRILLING RIGHTS TO LAKE LEWISVILLE

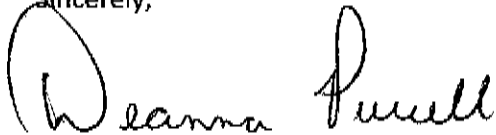

To Whom It May Concern:

I, Deanna Purcell, would like to protest the auction of gas drilling rights to Lake Lewisville. I believe it will be detrimental to our community and jeopardize our children's' future in this area. There have been several earthquakes reported in surrounding areas in the Dallas/Fort Worth Metroplex, which these cities did not have earthquakes prior to the start of gas drilling in their area.

Please do not allow our family oriented community be disrupted.

Thank you for listening to my concern and hopefully you will respect it our community enough to keep the gas drilling out of our lake.

Sincerely,
