Re: Highland Village fracking

To whom it may concern:

My wife and I are residents of Highland Village and live on Lake Lewisville at 3097 Whispering Oaks Drive. We were informed there is to be oil and gas fracking under Lake Lewisville and all protests need to be in by February 18th. I am writing this letter to protest this activity. We have seen the disastrous results of fracking in other areas of North Texas and Oklahoma and do not want to see this happen in our neighborhood. Our Highland Village City Council is meeting about this issue soon and I want to make sure it is known the people of Highland Village are against these activities.

Very truly yours,

Paul A. Bezney
