Dear Sir/Madam

16 February 2016

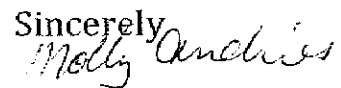

REF: Drilling rights, Lewisville Lake, Texas

Would like to inform you that we are strongly opposed to any drilling for natural gas or any other substance on, under or close to Lewisville Lake.

This lake is a prime source of water for a great number of people and should not be jeopardized by any proposed drilling.

Please do **NOT** approve any proposed drilling on this lake.

Sincerely,

Molly Andries
