Julie Ann Serrano, Lead Land Law Examiner
Bureau of Land Management
New Mexico State Office
P.O. Box 27115
Santa Fe, New Mexico 87502-0115

To whom it may concern:

I have been a resident of Highland Village for the past 33 years. We love our community and all that it has offered our family. One of the main reasons for moving here is Lake Lewisville and the water.

I am very opposed to the Army Corps of Engineers entering into an agreement to conduct drilling for Natural Gas Etc. This could have a devastating effect on our lake and the environment. If we destroy the lake it will be disastrous to our economy and property value.

I appreciate your time and help in stopping this process from taking place.

Sincerely

Gregg Gochneaur
