Docket Number: DOI-BLM-NM-040-2015-61-EA

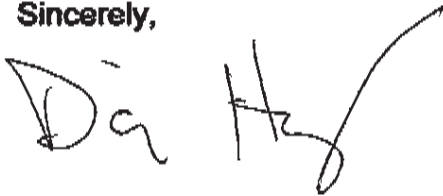

I am filing this Protest of the Bureau of Land Management' (BLM) planned April 20, 2016 oil and gas lease sale and Environmental Assessment DOI-BLM-2015-61-EA, pursuant to 43 C.F.R. §3120.1-3.

I formally protest the inclusion of the following parcel, NM-201603-43, covering a total of 258.0 acres. The proposed parcel is on/adjacent to Lewisville Lake.

The reason for my protest of this lease sale is chiefly due to my concerns about the possibility of shifting or minor quakes that could cause further damage to the compromised Lewisville Dam. Dallas is already in danger of serious flooding if this aging dam in need of major repair does not hold. Our local drinking water also comes from Lewisville Lake, and I do not like the idea of possible contamination. I do not believe the state and federal governments would make enough revenue with natural gas prices low to even consider fracking near this reservoir. The risks outweigh any benefit.

I am filing this protest on behalf of myself and family.

Sincerely,

A handwritten signature in black ink, appearing to read 'Daisy Haley', with a long, sweeping flourish extending from the end.
