I AM WRITING IN PROTEST OF ANY, REPEAT ANY POTENTIAL AUCTION OF LAND IN, NEAR OR AROUND LEWISVILLE LAKE FOR THE PURPOSE OF NATURAL GAS DRILLING.

WE ARE EXPERIENCING AN OVERWHELMING SUPPLY OF NATURAL ENERGY RESOURCES.

MOREOVER, THE DAMN IS COMPROMISED DUE TO MORE THAN 60 INCHES OF RAIN THE AREA HAS RECEIVED IN 2015 – NOT TO MENTION THE POTENTIAL HAZARD THIS POSES TO OUR WATER SUPPLY.
