RE: Auction of Gas Drilling rights on Lake Lewisville

We are writing in protest to the auction of gas drilling rights to Lake Lewisville. As a resident of The Colony for 29 years and frequent boater on Lake Lewisville, we are deeply concerned about the prospect of the rights for fracking being sold to the highest bidder. We are confident in the area who are standing together in protest.

Cordially,

Duane & Tina Willman
The Colony, TX 75056
