Re: Lake Lewisville gas drilling

To whom it may concern,

It has come to our attention that the Bureau of Land Management (BLM) will auction oil and gas leases for its holdings under Lewisville Lake on April 20th, 2016. We understand that several local governments in our area such as Upper Trinity Regional Water District, the City of Highland Village, the City of Lewisville, and the Town of Flower Mound have filed protests to BLM because of constituent concerns.

While we support domestic production of oil and gas resources, we ask you take careful consideration to these local governments' protests and constituent concerns.

Thank you for your consideration. If you have any questions please do not hesitate to contact us directly.

Regards,

Commissioner Bobbie Mitchell
