To Whom It May Concern:

I would like to formally submit my protest, under regulation Title 43 CFR 3120.1-3, to the planned lease sale of parcel 43 on April 20, 2016. This is the parcel of land attached to Lake Lewisville, specifically the Hickory Creek Branch. My reasons for protest include the following:

Lake Lewisville serves as the primary drinking water reservoir for Dallas and much of North Texas.

Contamination of Lake Lewisville by toxic, carcinogenic and/or neurotoxic chemicals used in the drilling and hydraulic fracturing processes would render Lake Lewisville water undrinkable with considerable contamination
