

# GREAT AMERICAN OUTDOORS ACT

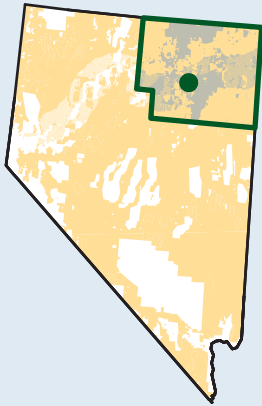

## Elko District Office Building Replacement and Repairs

Project ID: L301

Building and Structures Project

# NEVADA

**District or Unit Name:**  
Elko District

**Recreational Values:** Camping, fishing, hiking, horseback riding, hunting, interpretive programs, off-highway vehicle use, picnicking, photography, snowmobiling, target shooting, water sports, wildlife viewing

**Description:** This project will replace the aging Elko District Office administrative buildings with a single building, increasing efficiency and sustainability, eliminating safety hazards, and decreasing energy costs. The project will reduce the building footprint, decreasing future operation and maintenance expenses. Creating a single location to obtain information and permits for nearly all federal lands in the area directly benefits the public. Additional work includes repairing the California Trail Interpretive Center’s heating and air conditioning system, restoring reliability and improving energy efficiency.

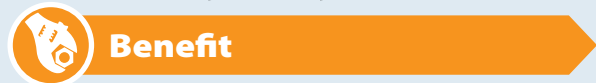

**GAOA Funding, Fiscal Year 2023:**

## \$12,830,000

**Estimated Deferred Maintenance Reduction:**

## \$12,830,000

**Total Economic Impact of Project:**

Elko District Office

**Priorities Addressed:**
