# EMERGENCY CLOSURE RESCINDING ORDER

Bureau of Land Management California

**Temporary Motorized Vehicle Closure of Clear Creek Road in the Serpentine Area of Critical Environmental Concern is Lifted**

**September 13, 2023**

**Action:** Effective September 13, 2023, the Bureau of Land Management is rescinding the temporary motorized vehicle closure of Clear Creek Road in the Serpentine Area of Critical Environmental Concern (ACEC). Once rescinded all public lands described below will be open to the public traveling in highway licensed vehicles only. This closure was in place due to protect public health and safety, prevent excessive erosion, and allow for repairs to be made at stream crossing and culverts damaged by the winter storms of 2023.

**Affected Area:** The BLM-administered portion of Clear Creek Road entering the Serpentine Area of Critical Environmental Concern (ACEC) in San Benito County, California

**Effective:** This Order is effective at 7:00 AM Wednesday, September 13, 2023.
