TEMPORARY MOTORIZED VEHICLE CLOSURE OF Panoche Hills Recreation Management Area

DECEMBER 4, 2023

Action: Pursuant to 43 CFR 9268.3, the Bureau of Land Management (BLM) hereby provides notice that effective December 4, 2023, the Panoche Hills Special Recreation Management Area will be temporarily closed to motorized vehicle use. This closure is necessary to prevent unnecessary destruction of plant life and wildlife habitat; protect scientific studies and preserve scientific values.

The closure to motorized use will prevent undue degradation of wildlife habitat for species listed under the Endangered Species Act known as the blunt-nosed leopard lizard (*Gambelia sila*) that is at risk of extirpation. The lizards that live on the Panoche Plateau are part of a captive breeding program with the Fresno Chaffee Zoo and the motorized vehicle closure will protect scientific values and studies needed to recover the species population. The BLM-administered lands in the Panoche Hills Special Recreation Management Area are closed to motorized vehicles annually from April 15 to the beginning of upland game season in October.

Affected Area: This closure applies to all BLM roads in the Panoche Hills in Fresno County, California.
