

The Piceance-East Douglas Herd Management Area (HMA) in Colorado is one of four wild horse HMAs in the state. The White River Field Office manages the area in the Bureau of Land Management's Northwest Colorado District. The BLM is committed to maintaining a healthy wild horse herd over the long-term as part of our multiple-use mission.

### About the Herd

Bays, blacks, sorrels and browns are dominant in the Piceance-East Douglas HMA, as well as some grays, roans and pintoes.

Most horses range from 14 to 15 hands and weigh between 800 to 1,000 pounds.

The Bureau of Land Management (BLM) manages more than 8.3 million acres of public lands and more than 27 million acres of mineral estate in Colorado. BLM lands in Colorado range from alpine tundra, colorful canyons and mesas, to rolling sage covered hills. The BLM has activities and programs for all public land users to enjoy. Visit [www.blm.gov](http://www.blm.gov) to learn more about your public lands.

BLM Colorado values diversity and is committed to creating a strong workforce that reflects the face of our Nation. Public lands are inclusive for all people and groups. Come out and share your public lands with neighbors and friends today!

#### Accessibility

The BLM is dedicated to ensuring that everyone has an equitable opportunity to access their public lands by providing access to facilities, programs, services, and activities for people with disabilities. To learn more visit [www.blm.gov/accessible-recreation](http://www.blm.gov/accessible-recreation).
