# RECISSION OF EMERGENCY CLOSURE ORDER

**AGENCY:** Bureau of Land Management (BLM), Roseburg District, Oregon.

**ACTION:** Rescission of temporary closure of public lands managed by the BLM, Swiftwater Field Office, near the No Man Fire.

**SUMMARY:** This notice rescinds the emergency closure of BLM-administered public lands in the Swiftwater Field Office, Douglas County, issued on September 25, 2024, associated with the No Man Fire, as described below:

BLM road(s) 24-1-25 and 24-1-25.1 from the junction with BLM road 24-1-26 (Francis Creek) East to the Roseburg District Boundary in Township 24 South Range 1 West Section 25.

As Swiftwater Field Manager I have determined that fire and resource conditions have changed, and the closure is no longer needed.

The public is reminded that all laws protecting public lands and resources from damage or unauthorized use remain in place; violators can be prosecuted, and convictions can lead to fines or imprisonment.

This rescission does not change the status of any other BLM closure or fire restriction orders.

**AFFECTED AREA:** The access route to BLM-administered lands in the Swiftwater Field Office along Chilcoot Creek. These lands are in Douglas County, Oregon.

**EFFECTIVE DATE:** This change will take effect at 1:00 p.m. on Friday, October 11, 2024.
